

Columbia GRAFONOLA

We would like
to have you
open a charge
account

Columbia Grafonola
Price \$85.

It is a convenience much appreciated by musical families who own Grafonolas and regularly buy Columbia records. A good many of our best customers first opened their charge accounts here with the purchase of a Columbia Grafonola, and we should be glad to have you do so. If you buy a Grafonola on convenient terms the amount due each month will simply be included in your bill. It is a sensible business-like arrangement and we are always glad to extend the courtesy to responsible people.

The price of any Columbia Grafonola
is the same for cash or credit

Can you think of any investment that will pay you bigger dividends in pleasure and happiness than a Columbia Grafonola? We have Grafonolas priced from \$20. to \$215. Even the lowest priced Grafonola is artistically designed, handsomely finished, and gives you a clear, sweet tone of ample volume. We would like you to see the different models and play any records on any Grafonola. The charge account can be quickly arranged and any Grafonola delivered to your home at once.

Mt. Vernon, Ky.

OUR HOME

If the home illustrated above doesn't appeal to you, we have many others, or will help you to design one which will be everything you want in a home.

The great building boom has started, I am buying material in large quantities, in order to meet the demand, don't delay, let us talk the matter over at once, and get started.

S. T. PROCTOR

LIVINGSTON

Mrs. S. C. Hellard, who has been in bad health for some time has grown worse until now her mind has become unbalanced and at times she is wild and there is talk of having to send her to Lexington where we hope something can be done for her. This is a good family and they have the sympathy of the people of our town.—Judge Cam Mullins and Dr. A. G. Lovell, of Mt. Vernon, were here between trans Monday. We understand they were here in the interest of the smallpox situation and also in the interest of the new pike on which work will start in a few days.—Prof. Chandler, of Brodhead has resigned as principal of the graded school here and John Lair, of Mt. Vernon has accepted the position.—Misses Lyda Cook and Winnie Fain have returned from Somerset where they went to attend the funeral of their cousin, a daughter of Judge James Cook.—Mrs. W. G. Nicely has returned from a visit with relatives at Berea.

John Cockerel has returned from Paris after a few days visit with relatives and friends.—J. H. Walton, of the Klondyke, is some better at this writing.—O. H. Rice, R. L. Payne and others are working on the road from the end of the pike down through town. They are hauling rock and cinders, plowing and scraping. They have each furnished their teams several days and they say in a few days it will be easy sailing in an auto down thru town.—J. H. Browning, who was once a citizen of our town but moved from here to Stanford and purchased a farm, has sold out there and he and his family are here this week visiting the family of D. B. Rambo and will go on to Ravens where Mr. Browning has a position as wrecker foreman.—W. M. Griffin and daughter, Miss Celia, of West Plains, Mo., who for the past six months have been in Florida. Mr. Griffin went there for his health. They visited relatives in Jellico, Corbin, Livingston, Pine Hill, Mt. Vernon and Brodhead and left for home the latter part of last week. Mr. Griffin was once a citizen of this county but went to Missouri several years ago. He was once County Judge of Ozark County, and is now a practicing attorney.—Atty. J. A. Owens, of Mt. Vernon, was here latter part of last week fishing. We haven't learned what success he had as we failed to see him on his return home.—Mrs. Sarah Hall has been visiting relatives at Pine Hill this week.—Mrs. V. C. Owens and children of Hazel Patch, are visiting relatives here this week.—Died. Mrs. Brant King last Saturday and was buried at Sand Hill Sunday. She had flu some time ago and kept declining in health until the end came.—We understand that we have small pox just south and north of town but both bridges are kept guarded and there is no chance of the town folks catching it.—We understand there will be a bill introduced in the next session of Congress making 28 days constitute a month and 13 months constitute a year. The name of the months to read on this was January, February, Liberty, March and so on. The new month to be called Liberty. Now we like the method of changing hours, but this other change we can't say and as it is to come up before Congress, we will await their decision.—J. P. E. Drummond has sold a farm on Mt. Nebo to George Arnold. Price paid \$1,300.—Miss Julette Griffin visited relatives at Mt. Vernon and Mareburg last week.—George Smith will move his family to Paris in the near future.—L. H. Davis has returned from the South looking much better.—Ed Cottontail has returned from France and he is looking fine.—J. M. Fourie has been painting his house. Now some will doubt this as he is blind, but we have

the proof at hand to prove that he has been painting on his house for several days and to do him justice, it cannot be beat.—D. B. Rambo has been beautifying his property by giving it a new coat of paint.—Wm. Clark has been repairing his property the past week.—Judge Mahlon Summers, who has been quite sick for some time is better and able to be at his post again at the round house.—Mr. and Mrs. Thomas Jones motored to Mt. Vernon Sunday.—We understand that convict labor will be employed to finish the pike up the river.—Judge Mullins, when here Monday, examined the county bridge to see if it would stand the test, as a great deal of the material to build the road will have to go over the bridge.—Mrs. S. C. Franklin, of Mt. Vernon, was here between trains Thursday enroute from Lexington, Paris, Winchester and Richmond where she had been visiting relatives.—We wish to say to all that ever attended school at old Level Green, (the fountain head of knowledge), now get busy and we can have a meeting that will long be remembered, while in some respects it will be a sad day as many of the old class will be missing and in other respects it will be a happy day as those who have not seen each other for years can have an opportunity to clasp hands again, and while many not seen the place for years since they were in their teens, yet many will attend that have the silver threads among the gold, and we all can have an opportunity of visiting the last resting place of our dear school teacher, J. N. Brown. So every one get busy and make this a great day. The day has not been set but will be some time in June.—Once again it is Spring. The sun is casting its warm beams upon the earth. Blossoms are bursting forth, casting their fragrance broadcast over the earth. The grass is making its appearance and in the near future old mother earth will be wearing a new dress, and even now you can hear on the distant hill side go and haw as some old farmer is beginning to turn the earth and is hallowing to old Dobbin. The birds have called the roll and now are singing their beautiful songs to one and all. The war is over and in a few days the peace treaty will be signed and at last but not least, the U. S., is the greatest place on earth any way. Mrs. C. A. Blanford and daughter, Miss Ella Mae have returned from Louisville after a few days visit with relatives.—Buck Howard will move his family in a few days to E. K. Division of the L. & N., as he has a job there.—Mrs. Oscar Argenbright has returned from Corbin after a few days visit in that city.—Summer has come and the autos have made their appearance. Well we guess it is better to have summer roads than no roads at all.—Squire W. D. Mullins informs us that he has the small pox situation under control as he has them guarded and the yellow flag is up. We see when the Squire is right, individually we are safe, as about 16 years ago we had a combat with this monster and came out victorious, but we are uneasy about the other fellow.

and Mrs. H. L. Tharp, at Junction City, last week.—Geo. S. Durham, of Mt. Vernon, was here Thursday of last week. Dermie has lots of friends here, and he is always a welcome visitor to our town.—Sam Maharg, and son, Ray Maharg, R. L. Smith and A. M. Hiatt, were in Lexington, Friday.—The trustees of the Brodhead Christian church have decided to remove the roof from the church building and replace it with a new and different roof. The roofing that they mean to remove is almost new and is a very heavy galvanized metal, but on account of noise and the fact it was never put on right why the trustees have decided to remove it. This roofing will be offered for sale and any one in need of a good metal roof and at a good price will do well to see this before buying elsewhere. There is about forty squares of it and it is as good as new.—Mr. and Mrs. J. M. G. Aldridge motored over from Lancaster, Sunday, and were the guests of Mr. and Mrs. J. W. Tate.—C. H. Frith was in Lexington and Winchester the first of the week on business.—O. A. Frith, who has a good position at Lynch, is at home for a few days.—Mrs. Byron Owens, who has been with her mother, Mrs. R. S. Martin, for several weeks, re-

turned to her home in Louisville, Thursday.—Miss Clyde Watson left Thursday for Louisville, where she will spend a few days the guest of Mrs. Byron Owens, and from there she will go to Chicago to spend several weeks with her aunt, Mrs. Thos. Lamar, and will also visit relatives in Detroit before returning home.

turned to her home in Louisville, Thursday.—Miss Clyde Watson left Thursday for Louisville, where she will spend a few days the guest of Mrs. Byron Owens, and from there she will go to Chicago to spend several weeks with her aunt, Mrs. Thos. Lamar, and will also visit relatives in Detroit before returning home.

CATARH CANNOT BE CURED
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free. F. J. Cheney & Co., Props., Toledo, Ohio.

Children Cry FOR FLETCHER'S CASTORIA

By Twelve Bottles of PERUNA

Greatest Human Vitalizer

"During the winters of 1897 and 1898, I was so badly afflicted with catarrh of the head and throat that I must surely die from it. After trying many doctors and all other recommended remedies made known to me, I was induced to use Peruna. I was cured entirely by using twelve bottles of Peruna and one bottle of Manalin."

Signed: Wm. A. Hartmann, 217 1/2 Second St., Muskegon, Mich., thus describes his case. Read his letter.
